## EFI VUTEK QS3 Pro

# When High End Image Quality Means Everything to Your Bottom Line

Go “Pro” with high image quality, production speeds and lower ink costs with the EFI™ VUTEK® QS3 Pro inkjet printer. This 3.2 meter, UV hybrid printer combines true variable drop grayscale printing, color accuracy and consistency with VUTEK production speeds, so you can produce high end, premium priced P-O-P jobs while improving your customer satisfaction. When quality is everything, count on the VUTEK QS3 Pro to improve your image and your bottom line fast.

### P-O-P Print Quality

- True variable drop grayscale head technology jets different drop sizes within one print for higher image quality and greater PMS color matching.
- Six colors plus white and three-layer print capability to extend your premium-margin offerings.
- Color consistency and accuracy from print to print and job to job.

### Optimized Ink Usage with Flexible UV Inks

- Grayscale technology delivers higher image quality at production speeds with better ink utilization, lowering your cost per print.
- Flexible EFI UV inks offer a wide color gamut, and ensure maximum reliability and performance with your VUTEK system.

### Digital Workflow Economics

- Accommodate more versioning and localization with digital UV.
- Run multiple jobs at once with multi-queue functionality available right at the user interface, without the need to rip larger layout files.
- Enable multiple shifts with its rugged, industrial design that makes it suitable for extended operation.
- Roll-to-roll capability for increased throughput.
- Receive audit information on every print job with bi-directional communication between the Fiery® XF RIP and VUTEK system.
- Integration ready with native JDF connectivity to EFI Web-to-Print and MIS/ERP solutions.

## INKJET SOLUTIONS

### EFI VUTEk QS3 Pro

#### Features and Specifications

- True variable drop grayscale head technology: 0- 36pL drop sizes.
- Six colors plus white and three-layer capability all in-line extends your premium-margin offering.
- Production-level printing.
- Standard multi-queue functionality.

#### Media/Handling

- Rigid, sheet and flexible media up to 126 inches (3.2 meters) wide and up to 2 inches (5.08 cm) thick.

#### Environmental Considerations

- Compressed Air: 95-145 psi maximum at 4 cf/m – dry air only (not included).
- Fully enclosed design for operator safety and environmental considerations.
- Temperature: 68° F to 86° F (20° C to 30° C).
- Humidity: 30% to 80% (non condensing).
- Machine Weight: 6,200 lbs. (2,812 kg).
- Height: 63" (161 cm).
- Width: 248" (630 cm).
- Depth: 106" (269 cm).
- Electrical: 50-60hz 3-Phase Delta w/o neutral, 60 amps, 208 AC.

#### EFI Fiery XF RIP

- Optimized for use with the EFI Fiery® XF RIP.
- Bi-directional communication capability between the Fiery XF RIP and VUTEK printer allows back communication of audit information on every print job.
- Advanced, easy-to-use, wizard-guided color tools for consistent, predictable, high-quality color.
- Powerful production tools, such as nesting, step and repeat, scaling, cropping, and tiling.
- Advanced ICC color management for reliable color, quality output and proofing-quality color.
- Scalable, versatile platform that scales as your needs and business grows.
- Seamless printer integration to EFI Web-to-Print and MIS Solutions with native JDF connectivity.
- One-, two- and three-day, on-site installation and implementation services to optimize color and workflow now available.

#### Enhanced Service Program (ESP)

- EFI's comprehensive service and support program.
- Predictable up time to maximize profitability.
- Thirteen months of Essential level coverage, providing you with 24-business hour (three-business day) response.
- Eligible for upgrade to:
  - Critical – Providing eight-business hour (one-business day) response.
  - ProActive – Providing 16-business hour (two-business day) response.
- Add the flexible, 12-month XFPlus Maintenance and Support plan for targeted response and resolution times and free upgrades for your Fiery XF RIP.
